Notes

Doug talked on the phone with a snowmobiler who triggered a slide outside Cooke City today (3/15/2020). The details:

- It occurred somewhere between Round Lake and Lulu Pass, likely nearer to Lulu.
- It was snowing hard most of the day and they had poor visibility.
- The slide was triggered by 1 sledder. He was not caught.
- The avalanche broke 1 foot deep and 100 feet wide. It was believed to be new snow, but not wind-loaded.
