

Big Collapse in Sheep Creek

Sheep Creek

Cooke City

12/15/2023

Code

Latitude

45.03440

Longitude

-109.98400

Notes

Collapsing in Sheep Creek.

From email: "Less collapsing up there yesterday than what we've been experiencing all week, but there was one BIG collapse in one of the meadows in the valley bottom (estimated 300'+ diameter). Remote triggers are still a serious concern."
