

Old slide in hell roaring drainage

Date

Wed, 03/05/2025 - 15:10

Activity

Skiing

Came across a old slide in the hell roaring drainage heading towards Gallatin. East facing. Happened sometime before the recent snow but not long ago. Initial crown seemed to be 12-18 inches and stepped down further down the slope. Was a fairly large debris pile.

Region

Northern Madison

Location (from list)

Hellroaring Creek

Observer Name

Shane Knowles
